

# IDEAFORGE 1.0

ROUND 2 (PROTOTYPE)

TOPIC :

**MOZCONNECT: EMPOWERING ENGAGEMENT IN THE  
MOZILLA COMMUNITY WEBSITE**

**BY TEAM  
HORIZON**

# 3 PARTS OF WEBSITE

- Central Hub for Events: The calendar acts as a central hub for all upcoming events and activities within the Mozilla community.
- Clear Overview: Provides a clear and organized view of workshops, hackathons, meetups, and other initiatives.
- Keeps Members Informed: Ensures that community members are always up-to-date with upcoming events.
- Reminders: Includes reminder options to help users keep track of events they are interested in.
